HOW DO WE ENVISION THE HARBOUR-FRONT DEVELOPMENT?

20 December 2008, Saturday, 8:30am-12:00pm
WLB208, Lam Woo International Conference Centre, Hong Kong Baptist University
Renfrew Road, Kowloon Tong

This forum is closed to the media, the event is for CIWEM members and members of the supporting organizations to allow direct dialogue between the attending speakers and members.

Harbour-front has long been an integral part of Hong Kong, and the presence and development of this invaluable asset is instrumental to the citizens for economy, natural environment, heritage, lifestyle, etc. CIWEM HK aims to pull together the stakeholders to spell out visions on the future development of harbour-front, not only for ourselves but also for the next generations. With your support and participation in this forum, it will definitely be a great encouragement to all stakeholders of the harbour-front development. The tentative programme is as follows:
